## COMMUNICATIONS OFFICER TERMS OF REFERENCE

### A. PURPOSE

The Government of the Republic of Maldives through the Ministry of Environment and Energy (MEE) is implementing "IWRM AIO SIDS project" financed by The Global Environment Facility (GEF) and intends to apply part of the proceeds for the selection of a **Communications Officer** to assist in the implementation of the project by Ministry of Environment and Energy.

### B. BACKGROUND

The Global Environment Facility (GEF) has funded a full sized project to support 6 participating Small Island Developing States (SIDS) of which 2 are located in the Atlantic Ocean (Cape Verde and Sao Tome & Principe) and 4 are located in the Indian Ocean (Comoros, Maldives, Mauritius and Seychelles). The IWRM AIO SIDS project addresses issues related to the management of water resources, both freshwater and coastal marine areas in an integrated manner. Recognizing the urgent need for comprehensive Integrated Water Resources Management (IWRM) and improved Water Use Efficiency (WUE), the project seeks to accelerate progress on IWRM and WUE plans and water supply and sanitation sustainable development goals for the protection and utilization of groundwater and surface water in the participating countries. The overall objective of the IWRM AIO SIDS project is to strengthen the commitment and capacity of the participating countries to implement an integrated approach to the management of freshwater resources, with a long-term goal of enhancement of the capacity of the countries to plan and manage their aquatic resources and ecosystems on a sustainable basis.

### C. OBJECTIVES OF ASSIGNMENT

The Communication Officer will play the lead role in institutionalization and robust adoption of internal and external communications strategies, media relationships, PR activities, the production of external and internal communication materials and writing for program purposes.
