Questions received with reference Announcement Number (IUL)438-CCD/438/2022/116
dated 05th April 2021 for the Procurement of Advertising Services

Please find below answers for clarification for the above bid.

1. The maximum duration for which advertisements can be displayed on the LED billboard at Ekuveni is 12 seconds. How shall we proceed with this limitation?

A: Please include written proof from the organization managing the billboard that mentions the maximum duration for the display of advertisement. The submitted proposal can also include any additional offers that can be made in addition to the requirements mentioned in the TOR.
