

Ministry of Environment and Energy

Energy Sector at a Glance
2013-2016

Energy Department

Year 2013

November

25th

Participated in Asia Solar Energy Forum 2013 organized by Asian Development Bank

December

18th

Implementation agreement for project "Support for the climate neutrality strategy of the Maldives" signed

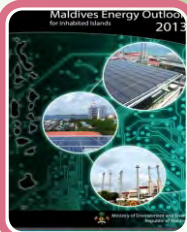

22nd

Consultancy service agreement to develop Greater Male' Region Renewable Energy Integration Plan signed

23rd

Energy Outlook 2013 launched

29th

Distribution of LED tube lights to the residents of Villimale' under "FahiAli" Program inaugurated

Year 2014

January

18th

Maldives participates in 4th General Assembly of IRENA

20th

Service contract signed to conducted Energy Audits at four Schools in Male'

21st

Maldives selected under IRENA/ADFD Project Facility to implement 2MW of waste to energy project

25th

Grid connection of 300KWp Solar PV system in GDh.Thinadhoo

25th

Contract signed for the supply and installation of 250KWp solar PV grid connected system at G. DhThinadhoo island

Year 2014

February

Grid connection of 25kWp Solar PV grid connected system in Green Building

12th

March

Agreements signed to establish a 40 kW solar photovoltaic system and a 5 kW ice making machine in Kaafu atoll Dhiffushi island

10th

17th

Workshop on Technology Assessment and Power System Planning in GDh.Thinadhoo

65 kWp Solar PV grid connected system installed in Hulhumale' Hospital and Ministry of Finance and Treasury inaugurated

26th

14th

International Renewable Energy Investors' Conference

May

Presentation of the Energy Audit findings conducted in four schools in Male'

14th

June

05th

Handing over ceremony of Project for Clean Energy Promotion in Male'

16th

21st

124kWp Solar PV grid connected system installed in R.Ungoofaaru

Stakeholder consultation meeting to develop Energy Sector Strategic Action Plan

Year 2014

August

Awareness workshop on renewable energy and energy efficiency held in Alifu Dhaalu atoll Mahibadhoo island

08th

Awareness Workshop on Energy Efficiency and Energy Conservation in GDH. Thinadoo and Dh. Kudahuvadho

23rd

Earth Hour celebration in Male' City

29th

22nd

203kWp Solar PV grid connected system in Dh.Kudahuvadho inaugurated

28th

Third International Conference on Small Island Developing States concludes

October

Ceremony held to launch Energy Day 2014 activities

15th

Minister Thoriq Ibrahim departs to attend 5th Meeting of SAARC Energy Ministers

19th

A leaflet on energy efficiency and conservation published

19th

Work has commenced to develop Energy Sector Strategic Action Plan

22nd

23rd

Minister Thoriq Ibrahim inaugurated "It's Cool at 25" endorsement ceremony organized by STO

Year 2014

November

18th

MOU signed for the provision of LED lights to Maldives

December

04th

MTCC Endorses "It's Cool at 25" Campaign

21st

Ceremony held to mark Grid Connection of 250kWp Solar PV System at Gaafu Dhaalu atoll Thinadhoo Island

22nd

'It's cool at 25
WORLD ENERGY DAY

Secretariat of South Huvadhu Atoll Thinadhoo Endorses "It's Cool at 25"

Year 2015

January

17th

Maldives participates in 5th session of the assembly of IRENA

20th

conducted

03 days Energy Audit Training program

Year 2015

January

Awareness Workshop on Renewable Energy and Energy Efficiency held at Dhaal Atoll Education Center

24th

Seminar held at K. Maafushi to launch 'Solar Power Program for Small & Medium Enterprises and Homeowners'

27th

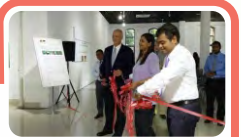

February

Workshop on Mini-Grid Design and Technologies

09th

Photo Exhibition on Energy and Environment

23rd

March

2nd

Renewable Energy Resource Mapping Workshop

April

Renewable Energy and Energy Efficiency experimental kits handed over to 13 schools

7th

Capacity development program conducted to Ungoofaaru Powerhouse staff

9th

A photo exhibition and hands on training session on experimental kit has been held at Ungoofaaru

9th

Accelerating Sustainable Private Investments in Renewable Energy (ASPIRE) Project

12th

Year 2015

April

Iskandhar School

Awareness session on Energy Efficiency has been held at

20th

29th

100 Harbor light and 40 street light has been given to MHI to support their Male' road light up program

August

to Male'

Contract awarded to supply 8MW diesel generator set

12th

September

Renewable Energy Roadmap final workshop

15th

17th

Inception Workshop on Strengthening Low Carbon Energy Island Strategies Project commenced this morning

October

Workshop on 'Contribution of Media in Energy Sector Development'

15th

21st

Project Agreements for the first Phase of Accelerating Sustainable Private Investments in Renewable Energy (ASPIRE) project signed

22nd

25th

islands

Contracts signed for the installation of generators in 05

Contract for installation of 2.5 MW solar PV systems signed

Year 2015

November

Maldives becomes first signatory to International Solar Alliance

14th

Technical assessments of Haa Alifu Atoll 14 Islands for Solar Diesel hybrid system development under POISED Project

29th

December

Installation of Solar Measurement Stations under ESMAP Renewable Energy Resource Mapping project

1st

SAARC Workshop on Energy Based Livelihoods has been commenced in Maldives

9th

21st

Inaugurates "LED Saves" Photo Exhibition

"Net Metering Regulation" launched

30th

Year 2016

January

Agency (EPA) staff

Solar powered electric bicycles handed over to Environmental Protection

16th

Year 2016

January

25th

Hybrid Renewable Energy Systems training workshop

February

21st

Technical assessments of Haa Dhaal Atoll 13 Islands for Solar Diesel hybrid system development under POISED Project

23rd

Training Workshop on LED Light installation

March

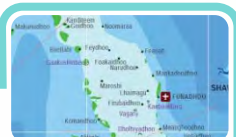

09th

Distribution of 'Led lights'

17th

Technical assessments of Shaviyani Atoll Islands for Solar Diesel hybrid system development under POISED Project

21st

Energy Sector Policy and Strategy Stakeholder Consultation Workshop

April

13th

A 29kWp Solar PV hybrid system inaugurated in Vaavu atoll Rakeedhoo Island

17th

Contract signed for the procurement of 8MW Generator for Male' city

19th

Applied Energy Symposium and Forum, REM2016: Renewable Energy Integration with Mini/Microgrid"

Year 2016

May

Solar power system inaugurated in Haa Alifu atoll Dhidhdhoo

05th

Technical assessments of Alifu Dhaalu Atoll Islands for Solar Diesel hybrid system development under POISED Project

09th

Technical assessments of Vaalu Atoll Islands for Solar Diesel hybrid system development under POISED Project

23rd

Technical assessments of Noonu Atoll Islands for Solar Diesel hybrid system development under POISED Project

24th

Installation of 2.5MW Solar PV system in 05 islands under POISED Project

31st

June

Contract signed for the consultancy services for interconnection of grid between Male' and Hulhumale'

27th

July

Technical assessments of Lhaviyani Atoll Islands for Solar Diesel hybrid system development under POISED Project

19th

August

Training on Energy Statistics for Maldives Organized by SAARC Energy Centre

03rd

Technical assessments of Kaafu Atoll Islands for Solar Diesel hybrid system development under POISED Project

11th

Awareness Workshop on Energy Efficiency held at Shaviyani Atoll Funadhoo School

26th

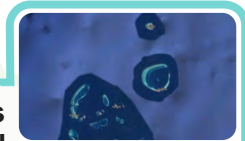

Year 2016

September

Technical assessments of Gaafu Dhaalu Atoll Islands for Solar Diesel hybrid system development under POISED Project

04th

Technical assessments of Alifu Alifu Atoll Islands for Solar Diesel hybrid system development under POISED Project

04th

Technical assessments of Gaafu Alifu Atoll Islands for Solar Diesel hybrid system development under POISED Project

23rd

October

Contract signed to conduct Research on Consumer Behavior and Preferences Regarding Energy Efficiency in Households

03rd

Awareness Workshop on Energy Efficiency held at Kaafu Atoll Maafushi School

31st

November

K. Dhiffushi 40 KW Solar PV system handed over to STELCO and Ice Plant handed over to Dhiffushi

10th

Contract signed to conduct Technical Analysis of Market to Develop Energy Efficiency Labels and Standards Program in the Maldives

14th

December

Energy Policy and Island Electricity Data book launched

20th
