REQUEST FOR PROPOSAL

Consultancy Services for the Development of the Tender Document and related Works based on Labor Contract Model for the Provision of Sewerage Facilities in Aa. Mathiveri, Maldives

INTRODUCTION

The Ministry of Environment and Energy intends to procure the services of a Consultancy Firm for the Development of Tender Document and related Works for Provision of Sewerage Facilities in Aa. Mathiveri, Maldives.

SCOPE OF WORKS

The tasks to be undertaken under this scope of works are to be undertaken in close collaboration with the Water and Sanitation Department, and include but are not necessarily limited to, the following:

- Review the Developed Detailed Design.
- Develop a Labor Contracting Tender Document for the Civil Works
- Produce a Detail Material and Equipment List in Reference to the Design to be utilized by the Labor Contractor.
- Produce Technical Specifications for Civil Works and Material / Equipment separately.
- Prepare BoQ for all labor works to be carried out.
- Produce a Detail Cost Estimate for the Labor Contracting Works and Material and Equipment's separately.
- Assist in the Tendering Process and Engage in the Evaluation of the Labor Contractor Bids
- Develop and Prepare the Contract Document for the Labor Contracting Works
- Develop Material Approval Forms and Labor Construction Work Monitoring Works Forms

DELIVERABLES

- Activity No.1 - Review Report of the Detailed Design Report
- Activity No.2 - Hard and Soft Copy (Editable Version) of the Labor Contract Tender Document
- Activity No.3 - Hard and Soft Copy of the Detailed Material and Equipment List with Technical Specifications indicating its standards related details for each individual item.
- Activity No.4 - Hard and Soft Copy (Editable Version) of the Technical Specifications for Civil Works and Material / Equipment separately
- Activity No.5 - Hard and Soft copy (Editable Version) of BoQ for labour component.
- Activity No.6 - Hard and Soft Copy (Editable Version) of the Detail Cost Estimates (Labor Contracting Works and Material and Equipment separately)
- Activity No.7 - Conduct Evaluation Works and Compile Evaluation Report
- Activity No.8 - Hard and Soft Copy of the Contract Document for the Labor Contracting Works
- Activity No.9 - Hard and Soft Copy (Editable Version) of Material Approval Forms and Labor Construction Work Monitoring Works Forms

Note: Expected Contracting Date 25th January 2018.

PAYMENT

Payment will be in accordance with the schedule specified below;

- Completion of Activity No. 1 - 10 % of Contract Amount
- Completion of Activity No. 2 - 10 % of Contract Amount
- Completion of Activity No. 3 - 10 % of Contract Amount
- Completion of Activity No. 4 - 10 % of Contract Amount
- Completion of Activity No. 5 - 10 % of Contract Amount
- Completion of Activity No. 6 - 10 % of Contract Amount
- Completion of Activity No. 7 - 20 % of Contract Amount
- Completion of Activity No. 8 - 10 % of Contract Amount
- Completion of Activity No. 9 - 10 % of Contract Amount

STANDARD OF REPORT

All documentation must be developed according to the international best practices and should comply with standard Maldives National Procurement regulations.

DURATION

- a) The Consultant's shall complete the assignment by 40 days. ('days' shall mean Calendar days). *This does not include the review/clarification period of the document submitted.*
- b) Consultant's project duration shall start from the date of contract signing.
- c) Consultant's project duration shall be completed on the date of completion of all Activities identified in the deliverables section.
- d) Any delays in failing to meet the deadlines provided by the consultant's duration will result in Liquidated Damages (LD) calculated below.

The delay rate per day for liquidation damages shall calculated as follows; for a maximum of 15% of the bidder's price. In the case of unapproved time delays extending beyond 07 days, the Client reserves the right to terminate the Agreement and execute the remainder of the works with another Consultant. Any additional costs resulting from the termination of this agreement shall be paid by the Consultant and may be deducted from any amounts owed to the Consultant.

$$RW / CD \times 0.75$$

Where;

$RW =$ Remaining works (i.e Total Contract Price Less Value of Certified Works)

$CD =$ Total Contract Duration.

- a) If the delays are due to issues which could not be influenced by the consultant in order to negate the LD charges; the consultant is to provide sufficient paper work evidence to justify the consultant has done his/her responsibilities to the best of his/her abilities.

EVALUATION CRITERIA

Points

(A) Company Profile: [100]

1. No. of water supply and sewerage design works assignments conducted by the firm (1 Assignment = 05 Points) [40]
2. Water and Sewerage Design Assignment of Amount MVR 200,000 (1 Assignment = 05 Points) [40]
3. Organisational structure of the firm (It should indicate Board of Directors and Project Management Plan / Structure) [20]

Total A = []

(B) Project Team [100]

1. Resident Engineer (Civil Engineer) [40]
2. Electro-Mechanical Engineer [10]
3. Procurement Expert [30]
4. Engineering / Quantity Surveyor [20]

Total B = []

The number of points to be assigned to each of the above positions or disciplines shall be determined considering the following three sub-criteria and relevant percentage weights:

- (i) Education and Qualifications [25%]
- (ii) General Experience [50%]
- (iii) Specific Experience [25%]

(C) Approach, Methodology & Work plan [100]

1. Approach & Methodology [50]
 - Demonstration of an understanding of the objective of the assignment [25]
 - Proposal on methodology on carrying out the activities [25]
2. Work plan of the Assignment [50]
 - Work Plan consistent with proposed Technical Approach and Methodology [25]
 - Work Schedule [25]

Total C = []

Technical Score (St) = $A/100*[W1] + B/100*[W2] + C/100*[W3]$

Weights Distribution

W1	Company Profile	[20]
W2	Project Team	[60]
W3	Approach & Methodology	[20]

The formula for determining the financial scores is the following:

$S_f = 100 \times F_m / F$, in where S_f is the financial score, F_m is the lowest price and F the price of the proposal under consideration.

The weights given to the Technical and Financial Proposals are:

$T = [0.6]$, and

$P = [0.4]$

Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T + P = 1) indicated in the Evaluation Criteria: $S = St \times T\% + Sf \times P\%$. The Party achieving the highest combined technical and financial score will be invited for negotiations.
