Environmentally Sound Management of Municipal and Hazardous Solid Waste to Reduce Emission of Unintentional Persistent Organic Pollutants (U-POPs) and Poly Chlorinated Biphenyls (PCB) Project

Request for Expression of Interest

The Government of the Republic of Maldives through the Ministry of Environment (ME) is implementing ‘Environmentally Sound Management of Municipal and Hazardous Solid Waste to Reduce Emission of Unintentional Persistent Organic Pollutants (U-POPs) and Poly Chlorinated Biphenyls (PCB)’ project financed by Global Environment Facility (GEF) and assisted by United Nations Industrial Organisation (UNIDO) with the objective of protecting human health and environment from chemicals and Persistent organic pollutants (POPs), by establishing an environmentally sound management of wastes. The overall objective of the project is to collect analytical data in order to address action plans prioritized and identified in the drafted National Implementation Plan (NIP). Through these additional activities, the government institutions and the stakeholders will be able to better manage hazardous and municipal wastes and reduce POPs and unintentional POPs (uPOPs) with newly developed management plans and waste storage facilities.

The Ministry of Environment, therefore, invites interested individuals who meet the requirements set out in the TORs to submit the following

- Letter of Expression of Interest (EOI)
- Curriculum Vitae. The CV must outline all the past similar experience in details
- Attested copies of accredited educational and professional certificates
- National identity card/passport copy

Interested individuals may obtain an outline Terms of Reference from www.environment.gov.mv and acquire further information on request by writing to the Ministry's email address environment@environment.gov.mv.

The expressions of interest must be submitted to the Ministry of Environment in a sealed envelope address to the below address not later than 1200 hours on 20 January 2019
