## INVITATION FOR BIDS

#### **Development of Websites (Second Announcement)**

The Ministry of Environment (ME) has received financial assistance from Global Environment Facility (GEF) administered by the United Nations Environment Programme (UN Environment) to reduce greenhouse gas (GHG) emissions through energy efficiency in the building sector under the project Strengthening Low Carbon Energy Island Strategies (LCEI) and intends to hire an individual to develop websites to provide information regarding standards and labelling program and energy efficiency to the public.

The EOI requested by Ministry's Advertisement No. (IUL)438-CCD/438/2019/376 dated 11<sup>th</sup> December 2019 has been cancelled due to insufficient interests, thus Ministry re-invites interested eligible consultants to submit proposals according to the TOR.

The detail terms of reference for the consultancy is available to download from the ministry's website (http://www.environment.gov.mv) and also can be directly downloaded from this announcement.

The LCEI Project, is designed with a goal of market transformation for energy efficient technologies in buildings and the built environment in the Maldives; and promotion of energy efficiency investments in buildings. The project will not only target energy efficient technologies, but will also promote emerging low carbon energy technologies for the building sector.

#### **Pre-bid meeting**

A pre-bid meeting will be held at 1100hrs on 29 December 2019. Bidders who attend the prebid meeting can only submit the proposal for this consultancy.
